

COMING SOON

THE *SUTD* PhD PROGRAMME

Seeking to admit the most
brilliant minds with the
potential to transform
the research landscape.

Applications open in
NOVEMBER 2012

We share your passion for innovation and dedication to breakthrough research, and offer

- International leading-edge research experience through overseas exchanges at MIT or other top universities worldwide
- Close research collaborations and exposure to industry through local or overseas internships
- Access to multiple faculty members with co-supervision flexibility and participation in a multi-disciplinary design experience
- Professional development programmes and teaching opportunities for a career head start
- Attractive scholarship funding and conference support

Be a trend-setter and leader in your field of expertise. Graduate with a PhD under one of our pillars.

- Architecture and Sustainable Design (ASD)
- Engineering Product Development (EPD)
- Engineering Systems and Design (ESD)
- Information Systems Technology and Design (ISTD)

Applications open from November 2012 to March 2013. Join our mailing list (**www.sutd.edu.sg/phd**) for updates on the SUTD PhD Programme.

First intake : September 2013
Residency : 3 to 5 years (full-time)
